SAVE THE DATE

A SYMPOSIUM

honoring the achievements of

Michael L. Shuler

Samuel B. Eckert Professor of Engineering

JUNE 22, 2018

**Cornell University
Ithaca N.Y.**

shulersymposium.engineering.cornell.edu

Please join us as we honor the achievements of Michael L. Shuler, Samuel B. Eckert Professor of Engineering, during a symposium to be held June 22, 2018 at Cornell University in Ithaca, New York. Featuring a keynote address by George Georgiou (Ph.D. '87), Laura Jennings Turner Chair in Engineering at The University of Texas at Austin.

You may also join us in honoring Professor Shuler by making a gift to endow a named lecture or professorship. Gifts can be made by clicking the "Make a Gift Online" button on the home page of the event website:
www.shulersymposium.engineering.cornell.edu.

Hosted by:

Robert Frederick Smith School of Chemical and Biomolecular Engineering, Nancy E. and Peter C. Meinig School of Biomedical Engineering, and the College of Engineering.

Contact the symposium organizers with any questions via email at shulersymposium@cornell.edu or phone at (607) 255-6331.
